

Are you a parent
or pregnant and under
25 years of age?

The Sydney Young Parents Program is a great way to get some extra assistance and guidance on your journey as a parent.

The program provides:

- Professional individual support and case management in a safe environment
- Access to parenting programs tailored for young parents
- An opportunity to meet other young parents in a weekly playgroup
- Assistance to link you to other community support services

We are currently open for referrals of young parents who are interested in being involved.

We strongly encourage young dads to attend our programs.
