## What is the Financial Independence Hub?

The Financial Independence Hub is designed to help anyone who has been impacted by financial abuse as a result of domestic and family violence to build their financial independence. It has been developed in partnership with people who have a lived experience of domestic and family violence and offers targeted support to address their individual needs.

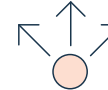

## The Financial Independence Hub brings together a range of support services, including:

**One-on-one financial coaching to assist participants to develop and implement a roadmap to financial independence**

**Tailored tools and resources to build financial capability and confidence**

**Provides pathways and referrals to complementary partners, services and supports to ensure holistic support**
